

# Nicholasville NOW!

A Certified Kentucky Main Street Program

Nicholasville NOW!, a non profit organization dedicated to the preservation and economic vitality of Nicholasville, thanks you for your continued support of our program of work. Business and community leaders, such as yourself, make all the difference in continuing Nicholasville Now's progress of a successful Main Street Program. Last year we assisted in the restoration completion of the Hemphill Building into Main and Maple Coffeehouse and Café and the Downtown Master Plan which received 1.5 million funding for Phase 1 of the Main Street Streetscape.

In order to assist entrepreneurs, seek grant funding and support the community by sponsoring and offering assistance in events and programs, Nicholasville Now! has to raise funds through our two festivals, the Kentucky Wine and Vine Fest and Jessamine Jamboree.

The Seventh Annual Kentucky Wine and Vine Fest, the Official Wine Festival of Kentucky, will be held May 14 and 15, 2010. From the Kentucky Wine Country Tours and the Kentucky Wine and Vine Fest Dinner, Awards Ceremony and Auction on Friday to the exciting day long festivities on Saturday, the 2010 Kentucky Wine and Vine Fest offers an exciting and fun "Taste of the Good Life" like no other . We offer several Sponsorship Opportunities to showcase your business. We have enclosed these opportunities with this letter. Please review and let us know how we can assist you on getting the most from your sponsorship of the 2010 Kentucky Wine and Vine Fest.

We look forward to hearing from you. If you have any questions or comments, please do not hesitate to contact me at 859.881.3820 or 859.553.1995.

Sincerely,

Tonya Coleman, Executive Director
